

Owner's Name(s): _____

Primary Phone Number: _____

Pet's Name: _____

Canine

Feline

(office use only) Entered by:

Boarding and Daycare Consent Form: please initial each line

_____ I agree to undertake the boarding and/or daycare services provided by Animal Care Center of Green Valley (ACC). I understand that boarding and daycare prices are subject to change.

_____ I agree to maintain vaccinations and understand that if my pet is not current on their vaccinations, my pet may not be able to board or participate in daycare. (Vaccinations should be current *no later* than five days before boarding stay.) I understand that ACC needs documentation of the dates my pet *received* their vaccines before they can be admitted to daycare or boarding.

_____ I have received and signed a *BOARDING MEDICAL TREATMENT PLAN* indicating my wishes should my pet need to be seen while they are in the care of ACC and neither I nor my Emergency Contact are available. I understand that neither veterinary nor boarding personnel are on the premises 24 hours a day.

_____ I understand that any personal belongings I chose to bring with my pet may not be returned in the same condition.

_____ I give permission for ACC to take photographs and/or videos of my pet for use on their website, social media, presentations, ads, and in the clinic.

_____ I understand that this form is valid for the lifetime of my pet.

Boarding:

_____ I understand that regular drop off hours are between 9-3:30 Monday-Friday and from 9-1:30 on Saturdays. I am aware that regular pick up times are 9-5 Monday-Friday and Saturdays 9-2. I understand that any drop offs and/or pick-ups outside these hours must be scheduled ahead of time and result in an applicable fee.

_____ I understand that I will be charged for each night my pet is boarding within the facility. I agree to notify the boarding department in advance if there are any changes to my pet's reservation dates and pick up or drop off times. No boarding pet will be released until all charges are paid in full.

_____ I understand that I will need to go through paperwork each time my pet is dropped off for boarding to ensure the boarding staff is apprised of all my pet's needs. I understand that special requests including but not limited to: injections, 5+medications, teeth-brushing, muzzling, foot soaks, etc. result in an additional fee for each instance I request.

_____ I understand that male dogs over six months must be neutered to participate in group play. While ACC prefers females be spayed, they may participate as long as they are not in heat or creating tension. I understand that my dog's participation in group play is contingent on their behavior and that they are constantly assessed for group play suitability. If they are deemed too aggressive or problematic to continue group play, ACC personnel will remove them from group play and will keep them separated. **(NOT APPLICABLE FOR FELINES)**

Daycare/Day-Boarding: (not applicable for felines)

_____ I understand that Daycare & Day-Boarding is available Monday-Friday and that reservations are needed, 24hrs in advance, to ensure the best daycare experience for my dog. I know that regular drop off hours are from 7:30am-12pm and that I must pick up my dog by 5pm. If I am unable to pick up my dog by 5, I am agreeing to have my pet checked into boarding at the regular boarding rate and will not be able to pick up my pet until 9am the next business day.

_____ I understand that I must have a current *ANNUAL DAYCARE AGREEMENT* in place for my dog to participate in daycare or to day-board and agree to alert the daycare personnel to any changes concerning my dog when applicable.
